

Oklahoma Center for Respiratory and Infectious Diseases

Spring 2025 Seminar Series

ALL SEMINARS WILL BE HOSTED IN RJP 140 AT 12:15PM-1:30PM

Zoom ID: 984 1502 3546

Zoom Passcode: 144376

01/22/2025	Unlocking Research Potential: OCRID Core Services and Technologies Presenters: Myron Hinsdale, Rudra Channappanavar, Alexandra Ford, and Lin Liu	
01/29/2025	OCRID Core Technologies Series: Single Cell RNA sequencing presented by 10x Genomics	Hosted by: OCRID MBGC
02/12/2025	Daniel Wozniak, Ph.D. - Professor of Microbial Infection & Immunity and Microbiology at The Ohio State University "Polymicrobial interactions during chronic infections"	Hosted by: Marianna Patrauchan
02/26/2025	Yong Cheng, Ph.D. - Assistant Professor of Biochemistry & Molecular Biology at OSU TBN	Hosted by: Lin Liu
03/05/2025	Xufang Deng, Ph.D. - Assistant Professor of Physiological Sciences at OSU TBN	Hosted by: Tom Oomens
03/12/2025	Sathish Venkatachalem, Ph.D. - Associate Professor of Pharmaceutical Sciences at North Dakota State University "Sex Differences in Asthma: A Play of Estrogen in the Airway"	Hosted by: Rudra Channappanavar
03/19/2025	Sunil More, Ph.D. - Assistant Professor of Veterinary Pathobiology at OSU TBN	Hosted by: Tom Oomens
03/26/2025	Diego Diel, DVM, MD, Ph.D. - Associate Professor of Population Medicine and Diagnostic Sciences at Cornell University "Infection dynamics and pathogenesis of HPAI H5N1 infection in mammals"	Hosted by: Xufang Deng
04/08/2025	OCRID 12th Annual Research Symposium	
04/23/2025	Hasina Outtz Reed, M.D., Ph.D. - Assistant Professor of Pulmonary Critical Care Medicine at Weill Cornell University TBN	Hosted by: Lin Liu
04/30/2025	Lundberg-Kienlen Lecture: Jonathan Kropski, M.D. - Associate Professor of Medicine, Allergy, Pulmonary and Critical Care at Vanderbilt University "Lung Epithelial Dysfunction in Pulmonary Fibrosis"	Hosted by: Lin Liu
