

**Centers of Biomedical Research Excellence (CoBRE)
Oklahoma Center for Respiratory and Infectious Diseases
Spring 2014 Seminar Series**

Date & Location	Speaker	Host	Title
February 19 259 McElroy Hall 12:00 pm Telesites: 339 CPB, OUHSC E-202, FBB, OSU-CHS	Curt M. Horvath, PhD Soretta & Henry Shapiro Research Professor Dept. of Molecular Biosciences Northwestern University	Lin Liu	Regulation of Innate Antiviral Signaling and Gene Expression
March 5 101 CPB, OUHSC 12:00 pm Telesites: 259 McElroy Hall E-202, FBB, OSU-CHS	Larry Schlesinger, MD Samuel Saslaw Professor of Medicine Chair, Microbial Infection & Immunity Dept. Director, Center for Microbial Interface Biology Ohio State University	Lucila Garcia-Contreras	Immunoregulatory Factors in the Interplay of <i>Mycobacterium tuberculosis</i> and Macrophages in the Human Respiratory System
March 19 259 McElroy Hall 12:00 pm Telesites: 339 CPB, OUHSC E-202, FBB, OSU-CHS	Michael Franklin, PhD Associate Professor Dept. of Microbiology Montana State University	Marianna Patrauchan	Physiological Heterogeneity in Bacterial Biofilms
April 2 259 McElroy Hall 12:00 pm Telesites: 339 CPB, OUHSC E-202, FBB, OSU-CHS	Luis A. Ortiz, MD Associate Professor Director, Division of Occupational Medicine Dept. of Environmental & Occupational Health University of Pittsburgh Co-sponsored by: Interdisciplinary Program in Regenerative Medicine at OSU	Lin Liu	Harnessing the Mesenchymal Stem Cell Secretome for the Treatment of Lung Fibrosis
May 7 259 McElroy Hall 12:00 pm Telesites: 339 CPB, OUHSC E-202, FBB, OSU-CHS	Carla Kim, PhD Principal Investigator, Children's Hospital Boston Associate Professor of Genetics, Harvard Medical School Co-sponsored by: Interdisciplinary Program in Regenerative Medicine at OSU	Heather Fahlenkamp	Microenvironmental Regulation of Lung Stem Cell Differentiation

McElroy Hall = Center for Veterinary Health Sciences, OSU, Stillwater
 CPB, OUHSC = College of Pharmacy Building, OU Health Sciences Center, Oklahoma City
 FBB = Forensics/Biomedical Building, Center for Health Sciences, OSU, Tulsa
